### About Americana

The lumber procured for Our Americana flooring largely comes from the Midwest & East Coast. The fiber is reclaimed from farms & barns creating a second life for century old lumber.

### Platform & Wear Layer

Platform & wear layer are important components in the construction of any engineered flooring product. We utilize Baltic Birch plywood as the stable base to build upon.

**11/16" Thickness:** 12mm Baltic Birch & 4-6mm wear layer (+/-18mm Total)

### Usage Recommendations

Suitable for residential, commercial, hospitality & retail. Material is only allowed in interior applications such as flooring, ceilings, wall paneling or to create box beams.
